I am pleased to announce that my administration released funding for the attached Capital Improvement Projects (CIP) in February 2022.

Mahalo for your work on behalf of the residents of your districts to secure these funds. Projects such as these are critical components of the public infrastructure and contribute to building a better home for our kūpuna, keiki, and all the residents of Hawai'i.

By working together, we can solve the great challenges of our time, create a more sustainable Hawai'i, and establish the Hawaiian Islands as a place where future generations choose to call home.
