QUESTIONS AND COMMENTS

- What is the role of the CAZ in the new ESSA culture?
- Will we still be required to use the Common Core Standards?
- Love to see a reduction of testing.
- Can we use the ACT as the high school test, still?
- What about ethnic groups and recommendations for curriculum and instruction to be more culture based?
- We are so different from community to community is there room to adapt the curriculum to each school?
- What about developing a drop out pilot for high school students?
- Is there anything on early learning?
- How is this going to affect the art? Can this broaden the curriculum to include the arts as a core subject?
- Can the state plan include title one?
- Dual enrolment for high school students still allowed/funded?
- Would like to see statewide system to be more equitable for funding.
- The Governor's ESSA Task Force website is great!
