

OFFICE OF THE GOVERNOR  
STATE OF HAWAII

**SUPPLEMENTARY PROCLAMATION**

By the authority vested in me as Governor by the Constitution and laws of the State of Hawai'i, in order to provide relief for disaster damages, losses, and suffering, and to protect the health, safety, and welfare of the people, I, DAVID Y. IGE, Governor of the State of Hawai'i, hereby determine, designate and proclaim as follows:

**WHEREAS**, pursuant to Chapter 127A, Hawaii Revised Statutes, emergency powers are conferred on the Governor of the State of Hawai'i to deal with disasters or emergencies, to maintain the strength, resources, and economic life of the community, and to protect the public health, safety, and welfare; and

**WHEREAS**, it has become necessary to supplement my Proclamation of August 21, 2018, relating to high winds, heavy rains, and flooding as a result of Hurricane Lane; and

**WHEREAS**, the President of the United States declared that an emergency exists in the State of Hawai'i on August 22, 2018, and ordered federal assistance to supplement county and state response efforts due to the emergency conditions resulting from Hurricane Lane beginning on August 22, 2018; and

**WHEREAS**, county, state and federal agencies have acted to ensure the protection of the public health and safety in anticipation of Hurricane Lane, during the impact of the storm, and during the aftermath of the storm; and

**WHEREAS**, actions by county, state, and federal agencies have been taken to ensure the protection of the public health and safety; and

**WHEREAS**, high winds from Hurricane Lane significantly spread and expanded a number of wildfires in the County of Maui and the City and County of Honolulu, State of Hawai'i, forcing the evacuation of the public and damaging public and private property; and

**WHEREAS**, the rapid weakening of Hurricane Lane on Friday, August 24, 2018, was such that storm moisture was spread over a greater area and resulted in prolonged periods of slow moving heavy rain that continues to impact the State of Hawai'i; and

**WHEREAS**, these heavy rains have exceeded fifty inches in Hawai'i County with significant heavy rainfall in other counties of the State of Hawai'i, resulting in extensive flooding, landslides, and other damage to public and private property; and

**WHEREAS**, damage assessments by county, state, and federal agencies are underway to identify the full extent of damage to public and private property; and

**WHEREAS**, the disaster occurrence of high winds, heavy rains, and flooding as a result of Hurricane Lane and the resulting rains following the rapid weakening of the storm has caused, and continues to cause, extensive damage in the counties of Hawai'i, Maui, Kalawao, and Kaua'i, and the City and County of Honolulu, State of Hawai'i, thereby endangering the health, safety, and welfare of the people in order to provide additional assistance; and
